GOLF COURSE COMMITTEE

Commissioner Cooke reported the Golf Committee met on March 13. They reviewed all of the capital items that were approved this evening to make sure they were within budget and all the equipment was still necessary. There was also a preliminary discussion on replacing the maintenance facility. This building is over thirty years old. They are looking at options and layouts that will fit their needs in a new maintenance facility. This project will not happen for another two years. Commissioner Cooke added the course is in good shape. Most of the diseased trees have been cut down. A few that look like they may be dying have been injected to try to save them. Tom Klaas met with Elk Grove and Conant High School coaches to discuss ways to encourage teens to come out and golf. The Jr. Golf program is strong and he would like to see these kids stay with it as they get older. Commissioner Biedke asked if the golf course rents kid’s clubs. Tom responded they have fifteen sets of youth clubs available upon request.

ADULT CENTER COMMITTEE

Commissioner O’Malley stated that both he and Commissioner Biedke were not able to attend the last meeting so Director Miller will be getting the minutes to share with them.

ADOPTION OF RESOLUTION 17-01

Commissioner O’Malley moved to approve Resolution 17-01

A RESOLUTION AUTHORIZING AND DIRECTING THE CONVEYANCE OF CERTAIN REAL ESTATE LOCATED AT 1635 BIESTERFIELD ROAD, ELK GROVE VILLAGE TO THE VILLAGE OF ELK GROVE VILLAGE

Commissioner Cooke seconded the motion.
President Souder stated Ordinance 379 was adopted on March 9, 2017, which was an amendment to Ordinance 378 that was adopted on February 23, 2017, to transfer property at Clark Park to the Village in exchange for Hanson Park. President Souder addressed a comment on social media from a resident who had an issue if we communicated this exchange of property with the taxpayers. This resident also suggested we should have sent a mailing to the residents. Director Busby said it would have cost between $3,500 and $4,000 to send a mailing to each resident of Elk Grove. President Souder said the District continues to be open and transparent by posting our agendas and minutes on our website, so we are not going to spend money on a mailing when we are already providing this information. Commissioner O’Malley added that the Village has also done the same. President Souder stated the Park District has always been very transparent so instead of using social media, someone that has a concern should pick up the phone and call. Commissioner O’Malley said this was a win-win for the Park District and the Village and he thinks it is great when there is cooperation between two entities.
