President Souder explained the reason for the Special Meeting was to discuss extending the deadline given on a sales contract with the Village for the Chelmsford property. The original deadline was October 31, 2017. It was decided at this meeting to extend the deadline to January 1, 2018.

SPECIAL GUESTS

President Souder introduced this year’s winner of the Halloween House Decorating Contest. The winner are as follows:

Most Creative – Brandon Snyder
Most Ghoulish – The Melford Family
Most Family Friendly – Beth and David Valerio

Kim Laper is the District’s Youth Coordinator. She stated this past month there were several events.

- On Saturday, October 21, a Teen Bonfire was held at Lions Park. Nearly 100 teens attended this new event.
- Another new event was a free after school kickball game at Grove Jr. High.
Teen Night will be held this Saturday and Tween Night is next Saturday. The Polar Express event is on December 9. All three trains are sold out. Kids Club is running will great enrollment.

Brian O’Malley is one of the District’s Athletic Coordinators. His job responsibilities include internal programs and internal leagues. He shared the following information:

- Adult Softball has seen substantial growth with 42 co-ed teams this year. Brian is looking into having a co-ed tournament next spring at CAF.
- The Bag League is in its fourth season with 20 teams.
- There were almost 100 kids enrolled in Skate Camp this summer, which was up from 65 in 2016.
- Tennis was brought in-house this year for the first time in a while.
- Brian is looking to bring in a drone-racing contractor next year for a new program. This type of program is not offered at many other park districts.

President Souder asked Brian if he has gained any other ideas from other park districts or people in the community. Brian responded they tried kickball but that did not get off the ground. Flag football may be a possibility and he is looking into the possibility of a sand volleyball league.

Commissioner Biedke inquired about increasing our gymnastic program. Director Miller responded we only have tumbling equipment now. Increasing our equipment would raise the cost and the liability. Commissioner Biedke asked if gymnastics programs could be set up as a monthly payment similar to the preschool has so parents do not have to pay every five weeks for sessions. Brian stated that could be a possibility for the tumbling team, but the other classes are five-week sessions.

**APPROVAL OF PURCHASE OF PLAY EQUIPMENT FOR CLEARMONT PLAYGROUND**

Commissioner O’Malley moved to approve the purchase of Gametime composite play structures, swings, and independent play equipment from Cunningham Recreation in the amount of $59,908.30 through US Communities for purchasing of the Clearmont playground equipment.

Commissioner Biedke seconded the motion.
