### **DISCUSSION ON DRAFT EFFICIENCY REPORT**

Executive Director Curcio began the meeting by reading the following from the IAPD Fact Sheet:

“The Decennial Committees on Local Government Efficiency Act, 50 ILCS 7p/1, *et seq.*, requires units of local government that levy any tax, including park districts, forest preserve districts, and conservation districts, to form a committee to study local government efficiencies and issue a report to the county board in which the unit of local government is situated. The Act does not apply to municipalities and counties.”

The Committee then watched a slideshow which provided an overview of the park district including shared services and partnerships, transparency, and district awards and recognitions.

After which the Committee discussed the draft of the Efficiency report. Staff will continue to meet to make additions to the report over the course of the next several months. Additions to the draft report may include: advertisers going back two (2) years, the Chamber of Commerce, Silver Sneakers and the Active Renew programs, senior employment, protection of property values and Channel 6.
