PUBLIC COMMUNICATION

Resident Hlavin spoke regarding the shared services and partnerships with Rolling Meadows. He would like to see the program expanded.

Vice-President Biedke noted that when pools or facilities are being renovated either here or at neighboring park districts, partnership agreements help to minimize the impact of closures or renovations on patrons.

DISCUSSION ON YOUTH CHEERLEADING PROGRAM

Director Greene led the discussion regarding creating a separate advisory board for Cheerleading. Current Staff recommendation is to keep Cheerleading and Football as one board. Options include adding more board members to represent Cheerleading, providing Cheerleading with a P-Card, forming a subcommittee and rearranging the Advisory Board agenda, i.e. moving Cheerleading items to the top of the agenda. Cheerleading already has a separate budget from Football. Cheerleading has offered to hold their advisory board meetings right before the football meetings.

Board consensus was to add two board members to the current Advisory Board, provide Cheerleading with a P-Card and for Staff to continue exploring separating Cheerleading from Football.

DISCUSSION WITH ADULT CENTER ADVISORY BOARD

Vice-President Biedke thanked the Advisory Board members for coming. Vice-President Biedke asked the Advisory Board members if there was anything they needed. They also talked about upcoming trips and events that will be happening at the Adult Center this year.
