Drop-In Program

Kids' Club offers a Drop-In option at Byrd, Clearmont, Rupley, Ridge and Salt Creek schools, which allows families to utilize the program on an as-needed basis. All participants must be approved by the Elk Grove Park District prior to staying after school for the program.

In order to be approved to utilize the program, participants must visit one of Elk Grove Park District's Customer Service Desks at least 2 business days prior to their first Drop-In visit in order to complete the required paperwork and purchase their scan pass. *Drop-Ins will not be approved unless we have completed paperwork and a purchased scan pass on file.

1. Contacting our Kids' Club Site Director by cell phone or email informing us of your visit.
2. Contacting the school office prior to dismissal to inform them of your child needing to stay after school.
3. Once both parties have been contacted, your child is set to stay after school for that day. The scan will be taken off your pass when your child arrives.
4. One scan is deducted for each child on each visit.
(AM and PM are considered two separate visits).
