DISCUSSION ON CHRIS FEARING MEMORIAL PARK BENCH AT PIRATES' COVE

Director Tiffany Greene stated that after the passing of Chris Fearing, a collection was taken up with staff to do something in her honor. After discussion with her family, it was decided they would like to put a bench and plaque in Pirates' Cove. The consensus of the Board was to move forward with putting a bench at Pirates' Cove. President O'Malley asked to keep the Board informed when the bench is going to be installed.

OLD BUSINESS

There was a discussion on the new CDC guidelines regarding vaccinated people and wearing masks. Although Governor Pritzger tweeted that he was going to follow the CDC, he has not made a public announcement yet. Executive Director Curcio would like to wait for the Governor's announcement before making changes at the District.

Director Curcio said that Travel Baseball reached out to ask why they have to wear masks outside. President O'Malley said that masks should be optional if outside, but the kids still need to wear them inside.
